

The Flood

Development Proposal

Temporary editable PDF placeholder for the portfolio website.

Project ID: the-flood

File path: assets/pdf/the-flood/proposal.pdf

How to replace:

1. Export the final planning document as PDF.
2. Use the same file name as this placeholder.
3. Replace this file in the same folder.
4. No HTML editing is required if the file path is unchanged.

This placeholder exists to keep every PDF button connected and testable.

Portfolio PDF Placeholder

Replace this file with the final document when available.
